This April, a local group of women are running the Gazelle Girls Half Marathon to raise awareness and donations for childhood cancer.

Beat Nb drives neuroblastoma cancer research and raises awareness, making a difference in kids' survival today. They want to change the story for the next family by finding viable treatments and, ultimately, a cure for neuroblastoma.

All proceeds will go directly to Beat Nb.

FOOD FUNDRAISER. Old Chicago will also donate 20% of your tab if you eat before, during or after the euchre tournament. Just be sure to mention you are there for BeatNB! Bring your family and friends!
